

Application Form for Peer-Reviewed Publications

I. Guidelines

- Conditions**
- The publication must undergo an internal peer review and fulfil the publication requirements as outlined in the FWF's [Open Access Policy](#).
 - One of the authors of the publication must be a project leader or project participant (especially project members or national research partners).
 - If the end of the project or the funding period of the project is more than 36 months in the past, the FWF will no longer cover publication costs (receipt of application).
 - The following text must be included in the acknowledgement section of each publication: 'This research was funded in whole, or in part, by the Austrian Science Fund (FWF) [Grant number]. For the purpose of open access, the author has applied a CC BY public copyright licence to any Author Accepted Manuscript version arising from this submission.'

For further details see [Application Guidelines](#) for Peer-reviewed Publications
